

## Do your dentures travel around your mouth?

*Does it drive you bonkers?*

**Phone 08448 151 410 today and fix this problem**

If your dentures are okay, but they move around and make it difficult to eat, you need dental implants to support your dentures.

*Special deal limited period \*\*\**

*\*\*\* Call now on 08448 151 410*

For a limited period only you can take advantage of a FREE suitability assessment and x-ray scan (this usually costs £159.00). Appointments are booking fast so phone NOW.

PLUS for a limited time only:

Placement of 2 implants and relines of your denture (with attachments to fit into your denture) All this at an amazingly low £997\*

\*Terms and conditions apply: Implants must be placed before 17th April 2010. No other discounts, club discount or promotions can be used with this offer. No other treatment is included in this offer. You must be suitable for straightforward implant placement. Fees must be paid in full before any implants are placed.

Dr Teresa Day our Clinical Director has been placing dental implants for over 20 years and is one of the most experienced implant dentists in the UK.
